Subject: Intelligence sharing with TPS - new general mailbox [redacted]

EXTERNAL EMAIL: Do not click any links or open any attachments unless you trust the sender and know the content is safe.

Good evening,

The amount of open source- social media information related to the Freedom Convoy protest, as you can imagine, is immense and a challenge to manage. We have recognized that this requires a defined process to ensure we are not duplicating our efforts and sharing information, not yet assessed.

As I have mentioned before, thank you for the support and please continue to forward the information/intelligence related to Toronto to our Intelligence Operation Center. We are continuing to monitor and plan for upcoming protests and will disseminate/action the information as needed. Also, if you require assistance or have questions please do not hesitate to contact the IOC 416-808-3590.

Below, I have outlined the flow of information from outside agencies who have information and/or intelligence to the TPS - Intelligence Operation Center (IOC).

- Any officer who has gathered information/intelligence is asked to forward the information to the **IOC via general mailbox** REDACTED or call the main line 416-808-3590.
- The IOC and mailbox will be monitored 24/7.
- All incoming information will be assessed and analyzed to determine its reliability.

We are aware of a potential protest to occur on Saturday, February 12th, 2022. Based on the intelligence, we believe there may be convoys from specified meeting locations in the GTA.

If your service is aware of planned convoy headed to Toronto please contact the IOC directly. The IOC will be interested in the following:

- Do you have a local protests and/or convoys planned – that intend to travel to Toronto ?
- If yes, what intelligence is known about the event?
- Will this event by monitored by your service ? Do you have officers attending and what is their contact information ?
- Will your service be providing information/intelligence to the IOC in real time?

PLEASE NOTE:
The TPS-IOC will be preparing a daily Situation Report – with an overview of the intelligence related to Toronto and an assessment. The report will be disseminated to outside agencies if requested.

Thank you in advance for your cooperation.

If you have any questions please do not hesitate to call the IOC or Intelligence 416-808-3500.

Kathy
